Ecology  
Environmental Science  
Marine Science  
Plant Science  
Veterinary Biosciences  
Veterinary Nursing  
Zoology

## Other

Environmental Health  
Psychology  
Public Health and Health Promotion  
Science with Education and Qualified Teacher Status (QTS)

## Check

For some of these courses, you may need to take an A level alongside your BTEC qualification. Check entry requirements at [www.ucas.com](http://www.ucas.com)

Level 3 applied science courses have different pathways, such as biomedical science, analytical and forensic science and physical science. The pathway you take, may affect the HE courses you can study

## For some of these courses you may need:

- Specific GCSE subjects and grades
- A criminal record check by the Disclosure and Barring Service (DBS)
- Work experience

## Useful websites

## Fashion/textiles

Contemporary Fashion  
Contour Fashion  
Costume Production  
Fashion Atelier  
Fashion Communication  
Fashion Design  
Fashion Jewellery  
Fashion Textiles  
Footwear  
Garment Technology  
Sportswear Design  
Surface Pattern Design  
Textile Design

Some people thinking of studying art and design at HE level, will take a Foundation Diploma in Art and Design or in Art, Design and Media Practice, after completing their level 3 course. The Foundation Diploma course lasts for a year and gives students the opportunity to explore a range of art and design disciplines, experiment with different materials and build a portfolio of work.
