September 2020

Dear Parents/Carers/Year 6 pupils

I am writing to introduce myself to you all. I am currently the Year Team Leader for Year 11 and will be your child's Head of Year from September 2021 – which I am really excited about.

I have been at Beckfoot Oakbank School for 20 years and am very passionate about ensuring that no child gets left behind in the education system. Choosing Beckfoot Oakbank is choosing a team which is invested in your child's success.

As a Year Team Leader I have very high expectations. I am a very positive person and always have the 'can do' attitude which is exactly how we want the students to be. Both myself and all the Beckfoot Oakbank staff are here to nurture, be compassionate, offer support, raise aspirations and help build our students into adults and future leaders.

It is important that we raise standards and aspirations, not just for the school and the community but most of all for the children, who are at the heart of everything we do. They deserve an outstanding school, which we believe is easily achievable when working together with parents and carers.

Both of my children were students here and both have been very successful in their careers and had great life experiences, which is exactly my aim for your child.

We are really looking forward to meeting you at a later time in the future where we will be able to build relationships, work together, enjoy learning and raise our student's aspirations.

Let's reach for the stars!

Should you have any questions in relation to transition please do not hesitate to email Miss Rhodes (crhodes@beckfootoakbank.org) who is the transition Assistant Team Leader. She is really looking forward to meeting you all sometime in the future when restrictions allow.
