

20th September 2022

Dear Parent/Carer

I hope this letter finds you well.

As part of my role, I am the SLT link to the year 11 cohort of pupils. Over the past two weeks I have had the opportunity to spend some time in most year 11 classrooms across the different subjects; the focus, determination and climate in those classrooms has been faultless. If this focus and determination is maintained throughout the year then I have no doubt that each student will make the progress they deserve, resulting in some amazing outcomes.

It is without question that this year is extremely important for your son/daughter and I imagine we are united in the common goal of wanting all students to get the most out of this year in terms of their studies, welfare and personal development. I can assure you the year 11 team including myself, Miss Stocker, Miss Farrar and form tutors as well as the whole staff body will continue to do everything, we can to maximise the potential of every single student in Year 11.

We welcome your support with your son/daughter's academic studies throughout the year. Intervention sessions have already started within the school day, and we start our after-school intervention sessions next week, 26th September, timetable below:

2:45pm-3:30pm	Subject	
Tuesday	English	
Wednesday	Maths	
Thursday	Humanities	Options subjects
Friday	Science	

Previous experience tells us that attendance to these sessions improves a student's attainment throughout the year.

Key upcoming dates for your diary:

- **Parent power hour 13th October 5:30pm-6:30pm**
- **Two-week mock examinations, commencing 31st October**

I will provide more information on these events closer to the dates. In the meantime, don't hesitate to contact the year team if you have any questions or queries.

We look forward to working with you this year.

Kind Regards

Chris Ray
