

KS3

End of Year Examinations

Y9

w/c 12th June

Subject: English

What will my assessment look like?

A 45-minute assessment paper which will assess two English skills: reading and writing

- **Reading:** you will read a short extract from *An Inspector Calls*. You will then be asked to answer 9 questions asking you to explain the meaning of words, to retrieve key information from the text and explain why the writer has chosen to use particular language to describe certain things. You should use what how why structure to help you answer the extended answer question.
- **Writing:** you will then be asked to write an evaluative piece of writing about the topic of *An Inspector Calls*. You will be given a question and some prompts to guide you.
- There will also be a final NGRT test to see how much your reading age has improved over the year and you will continue to be assessed on SPaG in lessons. This will take place in lessons before the end of the summer term.

What do I need to revise?

- *An Inspector Calls*.
- SPaG – spelling, punctuation and grammar.

Where can I get help with revising?

BBC Bitesize for SPaG – there are lots of helpful hints, tips and quizzes on here

<https://www.bbc.co.uk/bitesize/topics/z7vdy9q>

BBC Bitesize for *An Inspector Calls* <https://www.bbc.co.uk/bitesize/topics/zpr639q>

Your exercise book for reminders of how to use the what how why structure

Re-read the play using your script (or ask your teacher for a new one) or re-watch the play – there are versions available online.

Sparx Reading (once you get logged on) to help with extra reading.

Plus, any reading you do (books, magazines, newspapers, fiction or non-fiction) will all help you to be a better writer.

Subject :Maths
