

14<sup>th</sup> December 2023

Dear families,

**Y8 and Y9 Activity Week – w/c 24<sup>th</sup> June 2024**

We are delighted to share with you an exciting opportunity for our students—the upcoming Activity Week scheduled for June 2024. During this week, students will have the chance to engage in a variety of enriching activities, including invigorating water sports, exhilarating go-karting, and an adventurous day at Go Ape climbing. This is not a residential trip, but a series of three daily adventurous activities throughout the week. Students complete all the activities in their group and are in lessons or in-school activities on the other days.

The cost of the Activity Week is £130 per student. Students will do all the events, and there isn't the possibility of opting for only some of the activities or selecting the days. The cost includes the coach travel, hire of facilities, hire of specialist equipment and the services of expert, trained professionals.

We are asking for a non-returnable **£25 deposit per student** as we need to book these events in advance. The deadline for deposits is 8<sup>th</sup> January. We are collecting deposits early to secure our bookings now and allow a long lead-in period should you wish to spread the cost of the Activity Week. A suggested payment plan is below.

The payment schedule will be on **Parentpay** as:-

- £25 non refundable deposit due 8<sup>th</sup> January
- £25 2<sup>nd</sup> payment due 1<sup>st</sup> February
- £25 3<sup>rd</sup> Payment due 1<sup>st</sup> March
- £25 4<sup>th</sup> Payment due 1<sup>st</sup> April
- £30 Final Payment due 1<sup>st</sup> May

This exciting opportunity is open to all students with impeccable behaviour (no suspensions, no IEU, less than 10 removals) 30<sup>th</sup> November 2023 until 6<sup>th</sup> May 2024. If a student falls short of these requirements they will be unable to attend any of these planned events, and will lose their deposit.

This experience aims to foster teamwork, resilience, and a sense of accomplishment among our students. Safety is paramount, and we have partnered with reputable organisations to ensure that all activities are conducted under strict expert supervision and adhere to the highest safety standards.

We believe that such experiences contribute significantly to a well-rounded education, and we encourage you to support your child's participation in this Activity Week. If you have any queries or concerns, please do not hesitate to contact us. We look forward to a week filled with learning, enjoyment and individual success.

We will write again with further forms for both Doe Park and another Go Ape. There is also information on ParentPay to confirm the details of the trip.

Yours sincerely,

Neil Moules  
Assistant Headteacher (Personal Development)
